

Heavenly Father, You created men who dreamed of a new country. They wanted it to be based on freedom. Thank you for these dreamers they were willing to fight to obtain and protect that freedom, just as our Veterans continue to do today.

Heavenly Father we come to you with humble hearts. Thanking you for the many Blessings you have bestowed upon each of us in our own personal lives and the Blessings you have bestowed on this great nation.

We especially thank You for the Veterans that have served this nation with honor and bravery. Today we want to honor these brave men and women who when called upon to serve and protect our country do so bravely and with honor.

Lord, we ask you to Bless all who are presently serving our country whether here on domestic soil or in a foreign country. We ask that you would protect and sustain them as only you can. Assure them that You and your Angels are there with them. Protect their families and loved ones giving them the assurance that their Veteran is in Your care.

Many of our military veterans carry physical and psychological scars due to serving this nation. We ask special Blessings for them. Send Your Angels to help ensure that they know their sacrifices are not forgotten. Father may You grant them Your Grace and Bless them beyond measure granting them the desires of their heart, and meeting their every need.

Lord, we thank them for the sacrifices they made while serving our nation, and we thank You for Your protection of them.

We pray that You will Bless them for their service and that we as a nation will not only honor them on Veterans Day but every day.

We ask these things in Jesus' name.

AMEN.

Greater love hath no man than this, that he lay down his life for his friends.  
John 15:13
