

Ask and it shall be given you; seek, and ye shall find; knock and it shall be opened unto you.

MATTHEW 7:7

Patriot Stanley Scott Kulax & Family & loved ones Chapter 2001

Region 6 Patriots & Families & loved ones

Heavenly Father Your Holy word states that where two or three are gathered in your name that you will be there also. We come humbly before you asking that you touch each and every individual on the above list. Father You know their individual needs and the desires of their hearts. We ask that You grant them mercy and surround them with Your Angels for protection and supplying all their needs, sustaining them in all ways as only You can. Please protect all Military service members and their families and loved ones, both on domestic and foreign soil. Bless our Commander and Chief and God Bless America. AMEN
